Brian was born on January 25, 1960, Cheyenne, Wyoming, biologically to Beverly Brater (NY) and was adopted by Dr. Abram Murdock Cox (Jackson, MS) and Margret Winslow (Ross) Cox (Belfast, Ireland).

Brian was a true Wyomingite. A graduate of Central High in 1978, he joined IBEW Local 415 in 1983 and was a Brother for over 37 years before being forced to retire due to a shoulder injury in September 2020. In that time, served as IBEW Local 415 Recording Secretary, Local President, Apprenticeship Instructor, Joint Electrical Apprenticeship Training Director. He first met his forever love Juli at the age of 3, and then again on a blind date at the age of 17. They were married on September 15, 1978. They raised two children Ross and Sarah, spoiled 6 grandchildren, and had several wonderful fur babies. He loved being a Family Man, a Dad and the only G-PAW.

He lived to ride and anyone fortunate enough to know him were all part of that ride. Brian loved life, family, and faith. He was the "Brain", an innovator, and designed ways to improve and work smart. From horseshoe art, to designing tools, building engines, being a pit master, and advocating for those less fortunate. He also was politically involved with all

aspects of our community and his Brotherhood. He wanted us all to do our best to be stronger and better. You always knew where Brian stood and who he truly cared for and loved. His laughter could be heard in any crowd, and his candor, quick wit, generosity, genuine nature, sarcasm, and sincerity could never be replaced.
