“ When I was 12 years old I went to Sturgis SD to stay with my brother and wife, Carolyn and their 5 children. I had Very fun summer there with them. We played badminton in the yard and one day a storm just popped up out of no where. Lightning hit a large tree right in the yard and we all ran to the house. I grabbed the last 3 of the 5 kids and headed into the house. No one was hurt. Harold got hurt in the coal mines that summer and lost his spline. Carolyn taught me how to sew a mini skiet. My love and prayers to all of you

“ Iremember Cindy when you was a young girl in Minot she was about 12 years old before her and her siblings moved to Colorado. She and her sisters and brothers spent a lot of time at my house and played with her cousins. she was always a fun loving child. I only knew her when she was that age before they moved which must have been about 45 years ago. She is heaven with her Mother Dad and daughter. which we all now is a beautiful place, she will be missed. She is at peace now. gone but never forgotten and will live in your heart forever God be with you love from Cindy's Aunt Georgette
