David A. Norrod, Sr., 59, of Cheyenne, died on Sunday, October 21, 2018 in Cheyenne. He was born on August 2, 1959 in Shreveport, Louisiana to William T. and Janet (Wespe) Norrod.

He was a tank mechanic and was very proud of his time in "The Cav". He was stationed in Kentucky, Washington, Hawaii, California, South Korea and Oman.

He moved to England after retiring from the Army with his English wife where he went to college to become an electrician. He studied at Highburg College, Cosham, Portsmouth England. He eventually started his own business whose clients included his favorite, St. Paul's Cathedral in London, before moving back to the U.S.A. He continued to work as a journeyman electrician until his illness.

David was a diehard Bronco's and Rockies fan, was a prolific reader, loved golfing, fishing, hunting (especially duck hunting), and was a great marksman loving to shoot guns. He loved his grandchildren with all of his heart and taught them about life and how to be a good American.

David is survived by two sons, Dennis Norrod (Casey) and David Norrod, Jr.; three grandchildren, Trevor, Isabelle, and Kaitlin; a half-sister, Carolyn Taylor; half-brother, Gary Norrod (Susan); brothers, Michael Norrod and Tim Norrod (Barbara); as well as numerous nieces and nephews.

“ Dave was a good man. It was an honor to know him and to get a chance to work side-by-side with him as electricians. Dave never shirked a task-no matter the difficulty. He was always up-front and honest, always saying exactly what he meant. Dave Norrod was truly a breed apart. He will be sorely missed. Bret Green; Cheyenne Wyoming

“ To Mike, Tim, Gary and family:

I am sick at heart and saddened by the passing of your sweet Mother and David. My earliest memories of your family is when you all moved to England and we were able to visit consistently for the first time. David was full of energy and a playful kid. Aunt Janie and Uncle Bill were always so kind to me and I will love them forever - they certainly hold a special place in my heart.

I also enjoyed my time visiting with David when Caroline lived in Wyoming and I would visit her. David was so sweet to Caroline as were all you boys and it just warmed my heart. I love my wonderful extended family and I look forward to a time when we can all be together again and enjoy the wonderful blessings of family.

Know you are in Danny and my prayers.

Love Jacqueline

“ So sorry for you Mike. I lost a Brother also and I know how it feels. It has been over 25 years since I lost him and I still miss him everyday. He seems like he was a lot like your brother. Best wishes and prayers to your family.

“ David and I went to high school together and he was one of my best friends. He married my sister and he was a welcomed member of our family. He served his country and was a true patriot continuing a family tradition of service.

Most of all he was an incredible human being. No one could make you laugh harder than David and he would tell you the truth even if you didn't want to hear it. He was generous of heart and he truly loved his family, both immediate and extended. You could not ask for a better friend.

He will be missed and will remain in our hearts forever.
