“ It was such a pleasure to work with Don, I loved his sense of humor and appreciated his honesty. I enjoyed calling him and listening to his ringtone, "It's a great day to be alive" by Travis Tritt! I told him when I heard that for the first time how it absolutely made my day. Don, you will most certainly be missed by so many. Thank you for making a positive impact on my life. -Gina BlackBurn

“ Don has worked for me for a few years, I loved the way he greeted me every morning. He would come into my office and say “good morning,” I would say “how are you ?” He would say, “ I nice “.
We all loved working with him. Truly blessed to be his friend. Miss you already Mr. Don
