“ My favorite memory of Dottie is from the Summer, at Glendo, that her and Sandy Hall wore crocheted bikinis. They were dancing on a picnic table with a couple of their daughters, I think it was Penny and Jeri. She will be missed.

“ Dottie and I worked At Carey Jr. High for 9 or so years, she was always so much fun she loved her job, the kids and her coworkers.
Sally, Dottie and I worked in main dish, I remember laughing a lot. We played jokes on our coworkers, we always got our job done. Dottie was so particular about the way she did her job, if Sally and I did any part of her work it would totally through her off for the rest of the day. We learned quickly not to do that.
You will be missed Dottie.

“ I knew Dottie through working in the Nutrition department with LCSD1, and though I didn't work at the same school with her, I saw her at our back-to-school trainings for many years. She was always smiling and quick to laugh. I am sorry for the family's loss, and she will be missed by her work friends as well.
