“ Just loved golfing with Toby! When I first started out golfing at the Family picnics, he would partner up with me and make sure that the ornery little golf ball that went behind a tree found its way back to the fairway. He would do anything in the world for anyone, a trait I loved about him. Will miss one of the "Good Ones".

“ Loved listening to his stories of childhood and growing up and sharing memories about our father, Ray Miskimins. Laurell especially remembers getting to stay in Cheyenne with Tobe and Francis during week of Cheyenne Frontier days. Jenelle, Laurell and Becky all enjoyed the great visit with Tobe and Sylvia in AZ a few years back. Sending love, hugs and prayers to the family.

“ He was so kind and thoughtful. When Mother in law's husband died, he flew to Oregon to help her. Frances could not come as she had just had Brad. I will always cherish my visit in 2007 .
