“ I’m so sorry for your loss. Liz was a dear friend of my Mother Theresa Ramirez. May they continue that friendship in heaven.

Liz was always so very friendly when I would see her and share beautiful, funny and sometimes crazy stories of her experiences with my Mom. Liz was always concerned about how and my family was doing. She will be missed by all. Lots of love and healing energy to her family

“ To Chavela's Family: It was a real pleasure to know, laugh, party and just be around her whenever and wherever the occasion brought us together. She was always the friendliest of individuals and never heard her say a negative word about anyone. It is untimely that her passing happens at this time when social gatherings are frowned upon, but hopefully all her friends and family get together so we can spend some quality time and share our good memories of her. We will miss her lots and remember her often. May she rest in peace.....Rudy and Elsie Torres

“ My beloved grandma, my Grammie. You are the matriarch of our family, the one that gave us all life. You are the pillar that has supported us all with your endless love and strength. Everyday was brighter and warmer when you were here on this Earth with us. I miss the days when I could pick up my phone to call and hear your voice and laugh with you. I miss the times when you would call me to ask me questions like how far a winery was from my house or the time we talked about a book I was reading by Michio Kaku. I admire the bravery, courage, and strength that you possessed as you walked your path in life, and now that you are no longer walking this mortal path with us, I ask that you bless us all with the bravery, the courage, and the strength to help us walk without you. You are the most amazing woman that any of us have ever known and the world will never be as bright and as warm without you. I love you so very much and I will carry you in my heart until the day that we are all together again.

Love,  
Your Grandson
