“ Leon my dear friend, I'm going to miss you. I spent a lot of time at the Sanctuary door with you over the years. Your stories were a delight, your jelly was always delicious, your love for Charlotte was incredible. A lovely gentleman and open heart for everyone who came into our church. Even to the "nodding off" occasionally while service was going on. Yes Leon -- you were a big hearted and loveable man. I'm really going to miss you every Sunday. Rest in Peace Leon and God's Blessings to the family. Dee Melander

“ Mr. Latham was a tremendous man in every respect. He was a Christian, a humble, caring gentleman brimming with integrity and kindness. He welcomed my mom to her new church and made her feel at home and welcome. You were taken too soon sir. Nonetheless you can stand proud of a life well lived. God bless you. Thank you for your thousands of thoughtful gestures.

“ My prayers to the family and his dear friends. Leon will be missed beyond words. He was a kind soul with a great big heart of gold. He really enjoyed his friends and loved his family. He always had a garden growing and jelly made from scratch, and just sharing with everyone. The last time I saw Leon, was when he made a personal stop at my work, (Life Care Center of Cheyenne,) he said to me "I am not here to visit because there is no-one for me to see. I just stopped by to let you know I am okay, and I have something for you, you'll need to come to the car though." Off we went. He handed me a jar of pepper jelly, and share his story about all of his family and him going on a cruise. I sure hope he made that trip. Things were changing here then (covid.) I was sad when I heard the news. I will miss him dearly. I feel so bless to have known him. God bless. Christina Rush- Meikis
