“ I enjoyed visits with Lois in the Dining room of Point Frontier. She knew my Uncle who worked with and around her when they both worked at Home Away From Home. We laughed about him calling himself the Innkeeper there. I knew how much she enjoyed volunteering her time helping families who were facing illness or injuries of family members. She had a good sense of humor and shared it with others. She will be greatly missed by me as well as many others.

“ Lois was my second mom. Growing up in our neighborhood you always knew you could go play in their yard. I will claim that I am the older sister to all of the kids that gathered there. Fond memories of finding me at the table with the other kids and the time we rearranged the kitchen for "mom"

“ Bob and I are so sorry to hear of your loss. I am glad I had a chance to meet her and chat with her, and Linda, you and I were able to share some smiles and chuckles over some of her recent "adventures" with the wheelchair. You were so fortunate to have time with her when you both needed it...and you recognized how special those times were.

I know that no one can ever replace "Mom", but I pray that the wonderful memories you are left with will help sustain you through this sad time.
