

## Margaret Haber Korn

October 18, 1948 - November 5, 2021

Margaret Loretta (Renneisen) Haber Korn, 73, of Cheyenne, Wyoming, passed on November 5, 2021 in her home with her family. Margaret was born in Panama Canal Zone on October 18, 1948. She loved her life, her partner Howard "Bud" Harkins, her children Robert (Trudy) Haber Korn, Michael (Pam Jacoby) Haber Korn, three grandsons, and the families they started with five great grandchildren, and her beloved dog Pooh Bear. She spoiled them but made them know she had an eye on them. Donations can be made to the Davis Hospice Center in her memory.

“ Rest In Peace my dear friend, Margaret! I miss you very much but you'll always be in my heart. Working with you at the State Lab is something I'll always remember...your smile, your laugh, and your kindness made working more pleasant.

“ Bud, I am so saddened by the news of Margaret's passing. I loved her so much. I remember when she bought her house - before your coming into her life- and we were painting. I started painting above the stairwell and she gave me such a bad time because then she had to paint other walls, too. We had so many fun times. She helped me get past a divorce and I hope I helped her, too. Many a talk, gossip and solving the problems of the world took place over tomato soup and cheese sandwiches at her house. Take care and cherish her memory. She loved you so much. Kathy
