“ Uncle Marv was very dear to my heart. He was like a father to me. I will miss our phone conversations and visits. He told me about the best fishing holes, wildlife and his experiences working up in the mountains of Wyoming. It was an honor to be his niece and to share a portion of his life. He will truly be missed by us all.

“ Marv was a very fun brother-in-law who never stopped being that even after he and Kay divorced. Marv and Kay and Tom and I had so many good times together. There was always lots of laughs and genuine love for each other. We always tried to get him to play card games but never had any luck with that. But the last time we were in Cheyenne we were able to talk him into a few games of Yahtzee. He really thoroughly had a blast. Of course he REALLY liked it when he won a game! His greeting was always “Heyyy, how you doin” with a great big smile and a big hug. His smile was infectious. He really touched my heart with his unconditional love for Shelly. He took the time to learn her speech patterns, which made her adore him. Seeing them interact just warmed my heart. Our future trips to Cheyenne just won't be the same without Marv because he'd been a part of our family for so many years. Rest In Peace Marv. 💕Marcie Purtell

“ Marc was my brother in law. I considered him to be more than that! I never saw him angry. He was always smiling. He hated the camera. He loved his red beer. He did not like playing card games and on a rare occasion joined us in a family game. I really miss him! RIP my good friend!

“ Marv Tritt was my ex-husband. Even though we weren't able to make it as a husband and wife he was my constant and best friend. We were a team . He was family to me, to my daughters, my sister, brother, parents ,grandkids and my son-in-law . We all loved him very much. We made him a part of our family with joy and pleasure. He spent all holidays and his birthday with us. We treasured his love he gave us back and his kind heart. Marv and I enjoyed many wonderful vacations together. Trips home to Wisconsin to visit my family. Vacation in my sisters home in California. My neice and nephews adored him. A beautiful trip to Washington DC, Florida and the Keys, another trip Boston and New York Coty. Many fond and wonderful memories and photos of the fun times we shared. “ Marv was my adopted dad. And although I was an adult when he and my mom married, he was a dad to me and my sister. He was there for us, even after my mom and him divorced. They remained best friends after the divorce and he remained my dad. When I had children, Marv was there as grandpa, his favorite role, perhaps, ever in his life was being Andrew and AJ’s grandpa. We loved him and took him as our family. For me, he was a dad and for my children and ever present grandpa. He adored my children and for that I love him even more deeply. They weep and mourn for his loss, as do I. He enriched our lives beyond a blood family and will forever be etched in our hearts. He was kind, funny, and generous. He will be surely missed and loved for all times. We love you Marv!! Take care and RIP.
