

Randal F. Weiss

January 21, 1957 - December 31, 2020

Randal “Randy” F. Weiss, 63, of Cheyenne, passed away peacefully on December 31, surrounded by his family at Davis Hospice Center from his second battle with cancer.

He was born in Fort Collins, Colorado on January 21, 1957, to Harry Eugene “Jack” and Carnelia “Connie” (Larchick) Weiss, but grew up in Cheyenne. He graduated from Central High School (class of 1975) and LCCC. On August 1, 1987 he married Amy Gurtler.

Randy spent most of his early working years as a welder; he later worked in sales and management at Sears and Lowes. He loved fishing, flipping houses, and family time most of all. Randy was an avid University of Wyoming fan. In 1988 he started the 36 Hour Marathon Softball Tournament, and ran it for 27 years. Randy helped on various projects including Meals on Wheels, North Cheyenne Community Soccer Park, and the new Laramie County Library.

Randy had many friends, was loved by so many, and will be missed. He is survived by his wife of 33 years Amy Gurtler Weiss, sons Kyle (Lindsay) and Keith (Tracy) Weiss of Sedalia, Missouri, daughter Danielle (Steven) Schoeber of Cheyenne, mother Connie Weiss of Cheyenne, brother Bruce Weiss of Cheyenne, sister Colleen (Bob) Dunn of Beatrice, Nebraska. Randy also had four grandchildren; Kelsey Weiss, Jaysen Gerke, Abby Weiss, and Cole Weiss, and seven nieces and nephews.

Randy was preceded in death by his father, Jack Weiss.

A memorial service will be held at Wiederspahn Radomsky Chapel of the Chimes, Wednesday January 6, 2021 at 2:00 PM. It will be live streamed at www.wrcfuneral.com/obituaries

“ I got to know Randy when Rick Parish brought him on to the North Cheyenne Community Park Steering Committee as the softball rep. We worked for however many years together, raising money for the park, promoting construction, supporting the Capital Facilities Tax for the Park, Laramie County Library and other Cheyenne/Laramie County projects. We never got the ball fields at the Park that brought him onto the committee but we have a wonderful park enjoyed by many today due to his contributions. Whenever I saw Randy at Sears or Lowes, we'd always end up discussing the state of recreation in Cheyenne, with a few remembrances of our work on the Park. My prayers and condolences to his family.

“ Amy, Danielle, and Family,
We were shocked to hear about Randy. What a great guy and neighbor he was. We had many a visit on the street and could have solved a lot of the world's problems if anyone would have listened. Randy enjoyed life and always had a smile on his face. And he was so very proud of his children. The last time we saw Randy was a few years back and did not know he was battling cancer again. Please accept our condolences and we pray you find comfort in the days ahead. Mike and Mary Loose

“ I recently heard of Randy's passing. I'm so sorry I missed his service. I certainly would have been there to commemorate an all around, wonderful human being. All of those whose lives he touched will be forever grateful. I certainly am! Was there a person in our class of '75 who didn't know and like Randy? I doubt it. Amy and family, I send sincere prayers for you.

“ Thanks to all who put together such a wonderful celebration of Randy's life. I was thrilled to see the many pictures and share in the funny stories. I especially love the picture of Randy as cheerleader for our powderpuff football game. He returned my pom pom sweater years later in a formal presentation at one of our class reunions at Little America. I should have insisted that he keep it. It definitely looked better on him then it EVER did on me.

Randy had a way of making everything better.

God Speed Randy!

“ I know Randy enjoyed the class reunions, but I think he especially like the planning of them as then he got to sit and visit with all on the committee regularly. You will be missed Randy. Val Rothwell

“ So sorry to Amy, Danielle, and other family members I haven't met . I got to know Randy much better after high school. Very rare is the type of person who would still show he cares about you afterwards. Randy was that type of friend. He always had time to talk to everyone. The last time I saw him was 2 years ago at the Depot during CFD. He came out as soon as he heard I was there. He was on a scooter and I asked him what was wrong and he joked with me," just getting old." I had no idea he was battling cancer for the 2nd time, I knew about the 1st. His circle of friends is big, and he will be missed. I will remember him fondly, what a great guy!
