“ I was so sorry to learn of the passing of Ron. Both my husband Mel and I enjoyed the time we all lived at Whispering Chase. I know both he and my husband are in a better place but Ron will be missed by all of you. I do plan to be at his Service tomorrow.

“ Ron, thank you for the many many good memories that I will never forget. Like the first time I met you in you're flight suit, you always had those grenade rings hanging from you're front pocket zippers. RIP Ron, you will be missed by many.

“ I remember sitting in the kitchen with Matthew, Ron, and Delores trying to get Matt going in the right direction. Matt, remember who you gave your ferret Gary to when you had to go away for a while?
I am sad for the losses you have suffered.
