“ John, I am so sorry you lost sweet Shannon. She always had a smile and a kind word every day that I worked with her. She was one of my favorite people in the Herschler building and always brightened my day. I know she will be greatly missed. I am keeping you and the family in my prayers. Sandy Padilla

“ Dean, Amy, Scott — I am so sorry to hear about the death of your Mom. I saw her once about 15 years ago over lunch in Cheyenne with a couple of other women from FEW chapel. We had little time to talk, but planned to get together in the future. Like most of those plans, it was never realized. I remember the many times I was with all of you at FEW, 1971-72. You three might not even remember me, but your parents always welcomed me. Your Mom was always a delight — seemingly rather shy in many ways, but with an interest in so many things and always willing and eager to help the chapel parish. She and your Dad invited me so often to your home in that old Wherry housing and I, who usually felt awkward around kids, always enjoyed hearing what was going on in your lives, often with Scottie on my knee. All of you were a real blessing for me, and your Mom was always at the center with a smile, a good word, and a kind of diffidence that belied her perspicacity and her many gifts. I offer my condolence and my prayers. (Fr) Leo Lewis

“ Shannon was a wonderful person. She devoted her life to her family. She was an avid Broncos fan and instilled that into her grandsons, Matther and Patrick. She was so proud of her family choosing to serve their country. Shannon will be missed deeply.

“ Since I had gotten pretty sick myself, if I didn't answer my cell phone after about 2 days, Shannon would call my youngest son to see what was wrong. One night he came in the living room and told me to call my sister, I had somehow laid on it and didn't even know it had gone off. My son will never let me forget that! Shannon, I miss you and will forever. Your little sister Cathy.
